Sponsorship Opportunities

ASHRAE's conferences are growing faster than ever as it leads the way in technology for decarbonization, sustainability, and occupant safety. The 2025 ASHRAE Winter Conference, February 8-12, 2025 at the Hilton Orlando provides opportunities to reach both in-person and virtual conference attendees through a **hybrid conference format**. Meet face-to-face, establish your company's presence at the conference, and reach a worldwide, virtual audience through livestreamed and on-demand sessions.

Base Sponsorship - \$3,800
Deadline to commit - January 3, 2025

Sponsors who commit early will have greater exposure.

Includes the following:

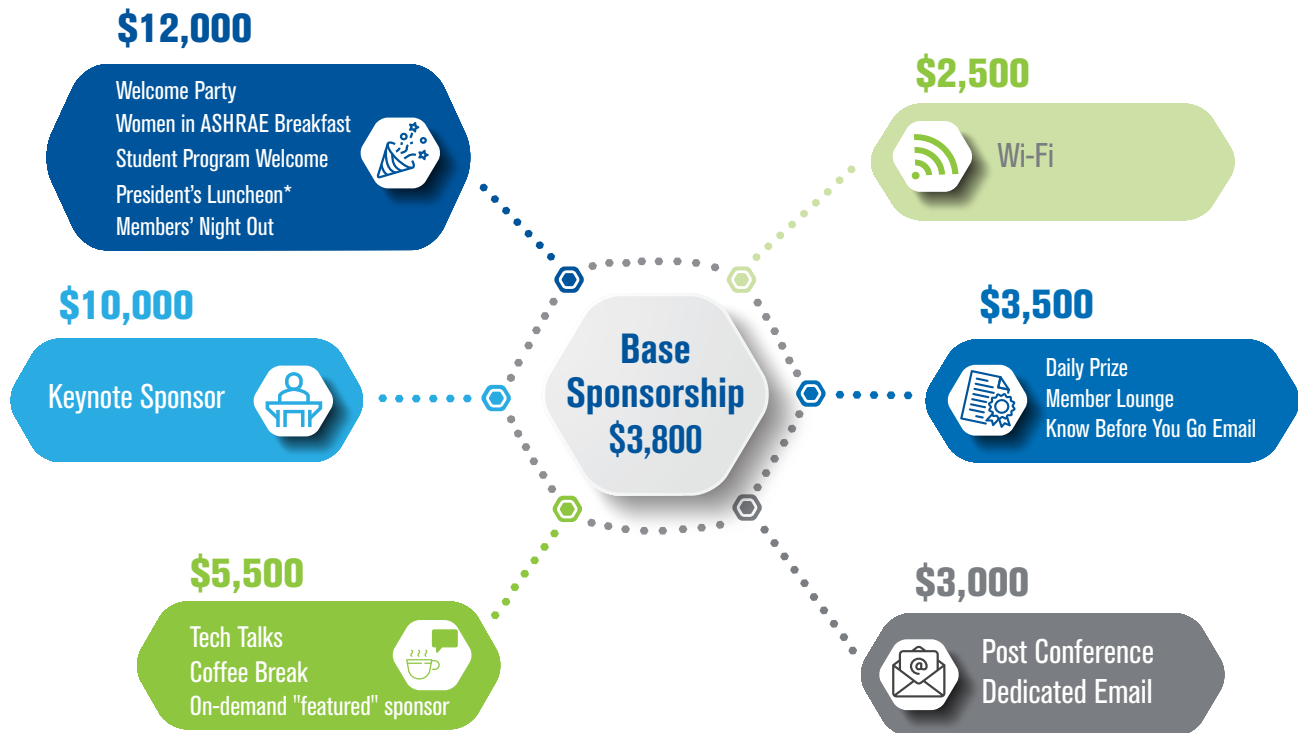

- **Registration List (Estimated Value of \$2,000):**
Postal information for a one-time mailing to registrants who opted in for sponsor messages.
- **Dedicated Sponsors' Page in the ASHRAE 365 Conference App & Conference Website (Estimated Value of \$2,500):**
A dedicated spot on the ASHRAE conference app and website to post logos, link videos, upload marketing material and share contact information. The Sponsor page is viewable to anyone visiting the ASHRAE 365 app or conference page – not just registered conference attendees. Analytics such as pageviews, number of downloads for resources added and impressions on your logo will be made available after the conference.
- **Logo Visibility (Estimated Value of \$5,000):** Logo displayed on conference signage at the Hilton Orlando, rotating banners within the virtual platform, conference website and other conference materials.
- **Complimentary Registrations (Estimated Value of \$750+):** One registration with full access to attend the in-person conference as well as access to all information offered by ASHRAE presenters, livestreamed content, all conference papers and on-demand content.

See a checklist of information and deadlines to help you receive full value from your sponsorship opportunity at ashrae.org/sponsorchecklist.

Value added benefits for all sponsors:

- **Conference Promotions (Estimated Value of \$2,000):** Your company's logo will be linked to your website in all ASHRAE emails promoting the conference and on the official conference website. This includes approximately 15 promotional emails (based on commitment date), sent to all ASHRAE members and other interested individuals totaling on average 55,000 unique recipients each email.
- **Social Media (Estimated Value of \$2,000):** One social media post highlighting all conference sponsors across ASHRAE's official social media channels (Twitter, LinkedIn, Facebook and Instagram) which have a combined audience of over 200,000 during the conference.
- **Home Page Visibility (Estimated Value of \$5,500):** Recognition on the ashrae.org home page which has 125,000 unique visits average per month.
- **ASHRAE App Visibility (Estimated Value of \$2,000):** Dedicated Sponsor page located within the ASHRAE 365 App. Rotating banner on the ASHRAE on-demand platform app for 12-months post conference.
- **Sponsor Appreciation Email (Estimated Value of \$3,500):** One-time, dedicated email highlighting all conference sponsors, sent the week before the conference to all registered attendees who opted in for sponsor messages. Includes sponsor logo, AHR Expo booth number and hotlink.
- **Daily Email Highlights (Estimated Value of \$5,500):** Your company's logo and AHR Expo booth numbers are highlighted in emails sent each day of the conference (Saturday, Sunday, Monday, Tuesday and Wednesday) to all registered attendees. Also included in the "Know Before You Go" email sent to registered attendees prior to the start of the conference.

Start with the base sponsorship, then choose from any of the enhanced opportunities

Enhanced Sponsorship Opportunities

- Ability to continue to earn PDHs in the on-demand and also through as well as download Conference Papers until February 2026

Additional Advertising Opportunities with ASHRAE Journal

ASHRAE Journal brings the latest news, products and technical information to the global HVACR industry every month in printed and digital editions. Maximize reach through the Winter Conference & ASHRAE Journal.

According to publisher research, ASHRAE's circulation universe encompasses more than 12 million annual impressions. Before ASHRAE's top leaders gather to chart the path of industry standards, ASHRAE Media offers the following opportunities to engage specifiers and other leaders with your company's technology.

- \$7,575+** **2025 ASHRAE Journal Supplier Product Capabilities Guide**
Submit a product announcement for the New Product Guide given to all ASHRAE members prior to the start of the Winter Conference. Circulation is 50,000 readers of ASHRAE Journal in print and online. Place a one-half page advertisement and earn bonus, equal-matching space for explaining a product technology or your firm's thought-leadership in the industry. Larger advertisements also qualify.
- \$3,895+** **Show Daily, the official newspaper of the Journal with on-the-floor distribution**
Advertise within the *Daily eNewsletter* (total of three), and Show Daily newspaper (total of two editions) recapping the technical events of the day during the 2025 ASHRAE Winter Conference.
- \$3,895+** **Special Edition of HVAC&R Industry**
HVAC&R Industry newsletter is distributed to more than 90,000 readers with the latest news about technology, industry standards and applications. A special newsletter during the conference will highlight emerging and new technology for 2024.
- \$750+** **Host Technical Program Content on your Website**
Drive traffic to your website and build relationships with your community by providing free access to key sessions from the 2025 ASHRAE Winter Conference for three months post-conference. Opportunities begin at \$750. ASHRAE reserves the right to increase the rate based on the amount of content posted.
